Where: Triangular field at Ball complex

Time: 5:30

All Boys
In
1st or 2nd
Grade

No registration needed and no fee just bring your child out.

Can't make all the Sundays?

No problem since it is free just come when you can.

The evening will consist of a practice and then we will split up into teams for a game each week. We will be introducing some of the basic fundamentals of the game to the youth and help them learn more about football.

We will be assisted by Junior High and High School football players working with the kids. It should be a lot of fun.
