

**2011-2012 Volleyball
League Rules**

1. Players must be out of high school

2. To be eligible for tournament play, you must play in or attend at least half of the season scheduled games (5 games). If a person is injured or pregnant, but will be able to play in the tournament, she should be present at half of the games. All teams must have an official score book for correct identification of the players who played in each game. Any players present, but did not play (injured, pregnant, etc) should be entered in the opposing team's score book. For a game to count, each player must play or be present for 2 or more sets per game.

3. All teams playing in the league are obligated to pay the \$75. You can either mail your fees to:
Amy Wheatley
PO Box 174
Eagle, NE 68347
or just bring it the 1st time you play Midwest Walls & Landscape.

4. Players who are pregnant may play at their own risk.

5. Starting time for league games is 7:30. (Exceptions are noted in the home locations and times listings) Please try to be on time. The home team should have the net and court ready by 7:00. The visiting team should plan to be on the court by 7:15 ready to warm up. If a team arrives at game time, there shall be no warm ups. Every 15 minutes a team is late, they forfeit 1 set, unless it is due to weather or having a school event in the gym where they are playing, or if it is agreed upon by the opposing team.

6. If your team is unable to play on the scheduled date, you must notify the opposing team by 5:00 on that Monday or forfeit the game. Please make sure when canceling a game that when you call you speak to a person and not an answering machine. That is why we included the work number on the contact person list. The original team that cancels that game shall initiate rescheduling the game. Two rescheduled game nights can be set. After that, the game will be forfeited unless the reason is weather. The original team that canceled the game will take the forfeit. If weather is the reason for the game not to be played and cannot be rescheduled, each team will count 2 sets as wins and 1 set will not contribute to either team's record. Both teams can count all their players present.

7. Each team should furnish a referee for the game.

8. You must play 5 sets. We will play with high school VB rules, including let serve. The libero is also ok to play as long as you notify the opposing team ahead of the game who is going to play libero. The first team to win three sets wins the game. Play the others as practice as they do count towards your final record. If the weather is bad, you may play only 3 sets, just be sure to mark in your book how many sets were played. This should be agreed upon before the game begins. The first four sets will be played as rally scoring, and the first to 25 points wins the set, win by 2, and the 5th set will be to 15

points, win by 2. The tournament seeding will be determined by the number of games won, and if there is a tie, by the number of sets won.

9. You may play with 5 players except at tournament time. Players who are late may enter the game, after it is already in progress, as soon as they are ready to play. There will be a side-out penalty for the missing player. When playing with 5 people, you must play the gap as a person.

10. Visitors will start serving first, then alternate every other match.

11. No street shoes will be allowed on the gym floor. No smoking in the gyms. No alcoholic beverages are allowed on school property.

12. Please make sure children attending the games are supervised. No children should be on the court during the game, during warm-ups, time-outs, or between sets. If children are disruptive during the game, play is to be suspended until the problem is resolved.

13. If your team refuses to host the tournament, the team will be banned from the league until the team is voted back in. The vote will take place at the league meeting. It will take the majority vote of those present to reinstate the banned team. A vote in writing may be sent to the meeting host if the team cannot be present for the meeting.

14. If you know of any teams interested in joining the league, notify the team in charge of the league-prior to the league meeting. To join the league, a team must be voted in at the league meeting.

15. To keep organized and on schedule, the date/time/location for the following years' league meeting will be voted on before or at the season tournament. Palmyra will host the league in 2011-2012, Barber's Chair in 2012-2013 and Dan's Tire in 2013-2014.
